

# HERE IS HOW EDC SUPPORTS CANADIAN EXPORTERS

For 80 years, EDC has been helping Canadian companies expand on the global stage. Through economic upturns and downturns, whether under protectionist policies or free trade, we've stood by your side. As you consider your next shipment, contract or market, what's your biggest concern?

## Understanding the impact of potential U.S. tariffs

What are tariffs and how do they impact international trade?

FAQs: What Canadian exporters need to know about the impact of potential U.S. tariffs

Webinar: Global Economic Outlook: Get the latest economic trends so you can make informed business decisions

Have a question about tariffs? Ask the Export Help Team

## EDC Solutions

- Do you need [more working capital](#) to purchase additional inventory?
- Are you looking to set up operations abroad through [merger or acquisition](#) (M&A)?
- Are you worried about how [currency fluctuations](#) could impact your bottom line?
- Is the thought of [non-payment, or refusal to accept goods, by your international customer](#) keeping you up at night?
- Are you looking to expand your operations into other markets and need financing or [business connections](#)?

Canadian businesses must look beyond traditional markets and explore new opportunities to mitigate the risks posed by tariffs and trade uncertainties"
